

- version 2: algorithm theoretical basis document . aquarius salinity retrieval algorithm: final pre-launch version . frank j. wentz and david m. le vine . 1. introduction . this document provides the theoretical basis for the aquarius salinity retrieval algorithm. the inputs to the algorithm are the aquarius antenna temperature (t. a **correction of the impact of the absorption of atmospheric ...** - arm us atmospheric radiation measurement program . atbd algorithm theoretical basis document . aatsr advanced along track scanning radiometer (esa) brdf bi-directional reflectance distribution function . bsrn baseline surface radiation network . cdr critical design review . co2 carbon dioxide **algorithm theoretical basis document** - algorithm theoretical basis document page 10 of 60 atmospheric effects on sst, the sst algorithms use observations in ir bands within the atmospheric transparency windows 8-12 μm (long wave infrared range - lwir) and 3.4-4.2 μm (midwave infrared range - mwir). furthermore, since the atmospheric absorption **tropospheric emission spectrometer (tes) level 2 algorithm ...** - tes level 2 algorithm theoretical basis document i list of acronyms absco absorption coefficient adeos advanced earth observing satellite aer atmospheric and environmental research inc. aeri atmospheric emitted radiation interferometer aes airborne emission spectrometer airs atmospheric infrared sounder **c o : introduction to basics of earth's atmosphere with ...** - atmospheric physics ii spring 2017: phys 622 - credit hours 3.0 tuesday and thursday 8:30 - 9:45 am rm 105 instructor's contact information: dr. belay demoz, bdevoz@umbc or 410-455-2715. **direct simulation monte carlo for atmospheric entry 1 ...** - direct simulation monte carlo for atmospheric entry 1. theoretical basis and physical models 16(1) - 2 rto-en-avt-162 small length scales. a low density leads to a reduced collision rate while a small length scale reduces the size **ttc syllabus template 2017 0823 - atmoslostate** -

- describe and explain theoretical principles of radiative processes, focusing on solar and terrestrial radiation.
- quantify radiative effects, heating/cooling rates, and interpret their roles in the earth's radiation energy budget.
- apply knowledge of atmospheric radiation and develop radiative transfer simulations for **at622 class notes spring 2014 christian d. kummerow, professor** - atmospheric temperature profile will be discussed and you should be able to differentiate between radiative equilibrium and radiative and convective equilibrium. next energy balance is discussed in the context of simple energy balance models. course references (1) at 622 notes (2) liou, k.n., 2002: introduction to atmospheric radiation (atsl) **goes-r advanced baseline imager (abi) algorithm ...** - goes-r advanced baseline imager (abi) algorithm theoretical basis document legacy atmospheric moisture profile, legacy atmospheric temperature profile, total precipitable water, and derived atmospheric jun li, cimss/university of wisconsin timothy j. schmit, star/nesdis/noaa xin jin graeme martin, cimss/university of wisconsin noaa nesdis ... **opti 656a- atmospheric radiation and remote sensing a** - opti 656a- atmospheric radiation and remote sensing a course description: theory of atmospheric radiative transfer processes; specific methods for solving the relevant equations; applications to problems in radiative transfer; theoretical basis for remote sensing from the ground and from space; solutions to the "inverse" problem textbooks: **climate algorithm theoretical basis document (c-atbd) rss ...** - climate algorithm theoretical basis document (c-atbd) ... cdr program rss version 3.3 msu/amsu-a mean layer atmospheric temperature cdrp-atbd-0201 rev. 1 1/18/2013 4 list of figures figure 1: the lines show the absorption coefficient as a function of frequency for 5 representative ... opaque, the upwelling radiation measured by microwave ... **executive summary atmospheric radiation measurement ...** - the atmospheric radiation measurement (arm) program will contribute to the doe goal by improving the treatment of cloud radiative forcing and feedbacks in general circulation models. two issues will be addressed: the radiation budget and its spectral dependence and the radiative and other properties of clouds. **goes-r advanced baseline imager (abi) algorithm ...** - goes-r advanced baseline imager (abi) algorithm theoretical basis document land surface emissivity jun li, zhenglong li xin jin timothy j. schmit, star/nesdis/noaa noaa nesdis research for cimss/university of wisconsin-madison , cimss/university of wisconsin-madison, cimss/university of wisconsin-madison cimss emissivity team algorithm ... **clouds and the earth's radiant energy system (ceres ...** - (ceres) algorithm theoretical basis document volume i—overviews (subsystem 0) ceres science team langley research center • hampton, virginia december 1995. printed copies available from the following: nasa center for aerospace information national technical information service (ntis) **global surface albedo from ceres/terra surface and ...** - 1 global surface albedo from ceres/terra surface and atmospheric radiation budget (sarb) data product david rutan1 and thomas p. charlock2, fred rose1, seiji kato3, scott zentz4, and lisa coleman4 1analytical services and materials inc., hampton, va 2nasa langley research center, atmospheric sciences competency, hampton, va. 3hampton university, hampton, va. **laboratory for atmospheric and space physics** - laboratory for atmospheric and space physics university of colorado boulder, colorado earth observing system solar radiation and climate experiment (eos sorce) algorithm theoretical basis document (draft) document no. 20560-t6-0006 date: april 4, 2000 prepared by christopher k. pankratz date ____ **cloud retrieval algorithms for modis: optical thickness ...** - cloud retrieval algorithms for modis: optical thickness, effective particle radius, and thermodynamic phase ... nasa goddard space flight center greenbelt, maryland 20771 kuo-nan liou department of atmospheric sciences university of california los angeles los angeles,, california 90095-1565 modis algorithm theoretical basis document no. atbd ... **algorithm theoretical basis document (atbd)** - this algorithm theoretical basis document (atbd) focuses on the advanced micro-wave scanning radiometer (amsr) that is scheduled to fly in

december 2000 on the nasa eos-pm1 platform. amsr will measure the earth's radiation over the spectral range from 7 to 90 ghz. over the world's oceans, it will be possible to retrieve the four important geo- **overview of atmospheric radiation measurement satellite ...** - overview of atmospheric radiation measurement satellite cloud and radiation products from ... cloud and radiation products are derived using visst from goes, national oceanic and atmospheric ... algorithm theoretical basis document, volume iii: cloud analyses and radiance inversions (subsystem 4)," nasa rp 1376 vol. 3, edited by ceres science ... **clouds and the earth's radiant energy system (ceres ...** - the release-1 ceres algorithm theoretical basis document (atbd) is a compilation of the techniques and processes that constitute the prototype data analysis scheme for the clouds and the earth's radiant energy system (ceres), a key component of nasa's mission to planet earth. the **special topics - department of physics - umbc** - iii. atmospheric radiative transfer: basic concepts a) fundamental radiometric definitions and terms 1) blackbody radiation 2) kirchoff's law **noaa nesdis center for satellite applications and research** - center for satellite applications and goes-r advanced baseline imager (abi) algorithm theoretical basis nighttime cloud optical particle size cloud liquid water patrick minnis, nasa langley research center patrick w. heck, uw noaa nesdis research document for depth , cloud , cloud ice water path, and path-madison/cimss version 2.0 july 15, 2010 **radiative processes in planetary atmospheres atoc/astr 5560** - 1a first course in atmospheric radiation, petty, 2004 1absorption and scattering of light by small particles, bohren and huffman, 1983. 1an introduction to atmospheric radiation, liou, 2002 1atmospheric radiation: theoretical basis. goody and yung, 1989 2multiple light scattering, v. 1 and 2, van de hulst, 1980 **tb690 global change and forest responses: theoretical ...** - theoretical basis, projections, and uncertainties human activity over the last two centuries has altered the composition of the earth's atmosphere. climate models based on the greenhouse theory suggest atmospheric accumulation of carbon dioxide and other "greenhouse gases" could increase global **tropospheric emission spectrometer (tes) level 2 algorithm ...** - tes level 2 algorithm theoretical basis document vii i. list of acronyms absco absorption coefficient adeos advanced earth observing satellite aer atmospheric and environmental research inc. aeri atmospheric emitted radiation interferometer aes airborne emission spectrometer airs atmospheric infrared sounder arm atmospheric radiation measurements **fundamentals of atmospheric radiation and its parameterization** - atmospheric radiation and its parameterization, page 1 fundamentals of atmospheric radiation and its parameterization source materials the following notes draw extensively from fundamentals of atmospheric physics by murry salby and chapter 8 of parameterization schemes by david stensrud to discuss both fundamental tenets of atmospheric radiation and its parameterization. **clouds and the earth's radiant energy system (ceres ...** - ceres atbd subsystem 4.6.2 - longwave surface radiation budget for clear skies release 2.2 june 2, 1997 clouds and the earth's radiant energy system (ceres) algorithm theoretical basis document estimation of longwave surface radiation budget from ceres (subsystem 4.6.2) ceres science team surface radiation budget working group principal ...
